

IOTW 2021

2021 Internet of Things Workshop

Chengdu, China | October 29-31, 2021

2021 Internet of Things Workshop (IOTW 2021) will be held in Chengdu, China during October 29–31, 2021. IOTW 2021 will providing a platform that allows a network of devices (sensors, smart meters, etc.) to communicate, analyze data and process information collaboratively in the service of individuals or organizations.

CALL FOR PAPERS

Organizing Committee

Conference Chairs

Mohamad SAWAN, Westlake University (IEEE Fellow)
Letian Huang, University of Electronic Science and Technology of China

Conference Co-chairs

Weixin Gai, Peking University
Xinglai Ge, Southwest Jiaotong University

Program Chairs

Ce Zhou Zhao, Xi'an Jiaotong-Liverpool University
Song Xiao, Southwest Jiaotong University
Wang Kang, Beihang University
Hideharu Amano, Keio University

Program Co-chairs

Esteban Tlelo-Cuautle, National Institute of Astrophysics, Optics and Electronics, INAOE
Weiqiang Liu, Nanjing University of Aeronautics and Aeronautics
Yong Chen, University of Macau

Local Organizing Chairs

Qun Zhou, Sichuan University
Wenfu Wei, Southwest Jiaotong University
Hai Wang, University of Electronic Science and Technology of China
Qihong Huang, Chengdu University of Information Technology

Tutorial Chairs

Nan Qi, Institute of Semiconductors, Chinese Academy of Sciences (CAS)
Yuan Gao, Southern University of Science and Technology

Chapter Chairs

Jayakumari. J, Mar Baselios College of Engineering and Technology
Sharul Kamal Bin Abdul Rahim, University Teknologi Malaysia

Treasure

Huanhuan Liu, Sichuan University

Topics Interested

Topic 1: Internet of Things (IoT) Fundamentals and Communication Network

Context-Awareness and Location-Awareness
Networking and Communication Protocols
Machine to Machine Communications
5G Networks
IPv6, 6LoWPAN, RPL, 6TiSCH, W3C
Network Coding

Topic 2: Internet of Things (IoT) Technology and Engineering Application

Smart City Examples and Case Studies
Green IoT: Sustainable Design and Technologies
Transport Safety and Mobility
Intelligent Transportation
Smart Collision Avoidance
Smart Tele-healthcare

Topic 3: Internet of things (IoT) Calculation and Equipment

Technological Focus for Smart Environments
Storage and Data Management for IoT
Computing for IoT
Cloud and Fog Computing
Edge and Mobile Computing
Platform Based Computing

Topic 4: Internet of things (IoT) Applications and Security

Platforms and Framework
Semantic Technologies, Collective Intelligence
Horizontal application development for IoT
IoT Experimental Results and Deployment Scenarios
Security and Privacy for Internet of Things
Identification and Authentication Issues

Proceedings

After peer review process, accepted and presented papers will be published in Conference Proceedings, and indexed by Ei Compendex, Scopus, etc.

Submission

Full Paper Submission linkage:

<http://confsys.iconf.org/submit/iotw2021>

E-mail Submission: iotw_conf@yeah.net

Full paper template download: [Template-Full paper.docx](#)

Abstract template download: [Template-Abstract.doc](#)

Important Dates

Paper submission deadline: **July 10th, 2021**
Notification of acceptance: August 5th, 2021
Registration deadline: August 20th, 2021
Conference dates: October 29–31, 2021
